Outdoor Memory Game

Here's a twist on an old favourite.

Super-size memory game cards by printing pictures, number, letters, or symbols on A4 sheets of paper. Print 2 copies each of your cards, then lay them out, face-down, on your lawn or any outdoor space. Take turns flipping over 2 cards at a time to try and match the pairs. The child with the most pairs at the end of the game is the winner. A great way to get your kids outdoors while helping them build their memory skills.

The following pages have some printable sheets to get you started.
