

DAILY BOREDOM BUSTER

Lip Sync Like A Star

Turn up your favourite tunes and hold a Lip Sync Battle at home. Here's how you do it:

1. Pick two contestants to go head to head.
2. Let both contestants choose two songs each. Give them both 10 minutes to practice.
3. For the first song, the contestant lip syncs the song and does some basic dance moves.
4. Between the first and second rounds let each contestant choose some costumes. You can also go all out with hair and makeup if you want to.
5. Then each contestant performs their second song in costume with even more exaggerated moves and dances.
6. The rest of the household then picks the winner by cheering for each contestant. The winner is the contestant who gets the loudest cheer!

Tip: Use a hairbrush or wooden spoon as a substitute microphone—everybody loves a good mic drop!
