Ever thought about trying Endurance Riding but not sure if it is for you?

Here Are Some Facts You May Not Know

It's a great way to socialise a young horse. It's suitable for riders of all ages. No rules about the gear you and your horse need to have except for a helmet, and no whips or spurs. It's only as competitive as you want it to be. If your horse is "fit at the finish" you are considered a winner regardless of if you are first or last across the finish line.

If this sounds like it might interest you, come along to a ride and try it out.

Friends of the Mulga Lands Gallery

The Mulga Lands Gallery is Australia's newest arts gallery and is a bright, contemporary arts space which is located in the main business district in Charleville. This central location ensures that the arts play a central role in the lives of those who live and visit our small rural community in the big sky, red dirt country of semi-arid Western Queensland. Our curated exhibitions change regularly and are free to all, although a gold coin donation is always appreciated. The Friends of the Gallery look forward to welcoming you to the Mulga Lands Gallery.

The Gallery is open Monday to Friday from 9am to 4pm and Saturday from 9am to 12 noon. Entry is via the Charleville Library.
